-do- No.5987 D2/51, dt. 30-3-52.
-do- No.5987 D2/51, dt. 7-5-52.

In G.O. 316 P.W.D. dt. 22-1-51 the Govt. have declared Kudligi(Bellary District) as unhealthy locality with effect from 22-1-51. Consequently, Govt. servants working in that area are eligible for the grant of unhealthy localities special pay admissible, under the rules. The D.I.& C. has now submitted proposals for the grant of the Special pay for the staff working in the Eri Silk Farm, Kudligi with effect from 22-1-1951.

The following temporary staff are employed in the Eri Silk Farm, Kudligi:--

One Farm Foreman on Rs. 45-3-75

Two Operatives on Rs. 24-1-32-½(A) -35

One Peon on Rs. 18-½(A)-25

The posts were first sanctioned in G.O. 4838 Devt. dated 5-12-45 and are being continued every year. Their continuance up to 31-3-53 has been sanctioned in G.O. 1142 Dev. dated 18-3-52. The D.I.& C. has stated that the conditions specified in Rule 11 of the Madras Manual of Special Pay Allowances are satisfied in the case of the above staff. As the staff employed in the locality by other departments of the Govt. are getting the special pay, the staff working in the Eri Silk Farm, Kudligi may also be granted the same concession. For orders.

The D.I.& C. has proposed that the Special Pay may be granted with effect from 22-1-51. As financial benefits to Govt. Servants are not generally sanctioned with retrospective effect, the grant of Special Pay may take effect from the date of the Order. For orders.

The posts sanctioned for the Eri Silk Farm are temporary. Kudligi has been declared as

p.t.

unhealthy locality as it is a project area. No amendment to Vol. II of the Manual of Special Pay and Allowances so as to include the temporary posts, seems therefore necessary. ~~Recessary~~. Finance may see

Subject to orders a draft order is submitted below for approval. It may be sent to Fin. for acceptance. P.W.D. may also see.

The notes of Development on pp.1-2 above may be perused.

2. The grant of special pays for service in unhealthy localities requires the specific sanction of Government in each case. The Director of Industries and Commerce should have come up to Government for the sanction of the special pay even while the subordinates in the posts referred to in the draft below were posted to the unhealthy locality. In a similar case in 1948, Mr. P.Crombie, then Deputy Secretary, Finance Department remarked as follows.-

> "I think this should be given from the date of residence as suggested. Govt. servants in these unhealthy localities get the special pay more or less as of right, although specific orders of Government may be required."

The Public Works Department staff working in the same locality are getting the special pay from 22-1-1951. In the circumstances, the draft order below may be accepted.

3. The position stated at 'N' on p.2 above is correct.
